Real Ale Night - Friday 25 March.

A very popular night run by Dave Hill which many of our members attend. Would be good to see some junior parents there if you like your ale?! It is a ticket only event so please contact Dave for more details on 07812 476512 if you are interested.

Race Night - Friday 29 April at 7pm.

Lots of fun for all the family, please come along and enjoy yourselves! Tickets from Spencer and Alex, see website for details.

DAZZLA'S DIARIES ON YOUTUBE

New club captain Jay Dassrath has posted his latest video diary (number 4) on YouTube. They are well made and very funny with lots of banter aimed at our members in the senior section. Look forward to more of these in the season.

NATWEST CRICKET FORCE – SATURDAY 16 AND SUNDAY 17 APRIL AT 10AM

Probably the most important day(s) in the year is for Cricket Force – get it in your diaries now! We are progressing plans for a new pavilion at Hesketh Park but in the meantime we have a very long list of mini-improvement projects we want to achieve this year at the current pavilion. The more people and pairs of hands the better – we need everyone, juniors, parents, any family or friends to come along and help us. The day is about coming together and improving our facilities. Refreshments will be available (breakfast, teas/coffees, BBQ, and bar open!).

Questions:

Do you work for Natwest or know anyone that does? Do you have your own company or work for a company that can provide or donate materials or equipment to the club to help refurbish the interior and exterior? Showers, toilets, changing rooms, hall, lounge, kitchen etc. For example, it would be great to replace the outdated curtains in hall and lounge with new modern blinds – do you know anyone who can donate these?

More details will be coming around soon, please get thinking about ways you can help. Make sure the whole day is in your diary! If you can't make both days please come along for one day or even a few hours. It will make a huge difference.

Please let Fitzy know if you can make it, this will help prioritise jobs on the day – email

CLUB NEWSLETTER – MARCH 2011

WHY CHANGE TO JUNIOR ACADEMY?

Many of you will be wondering why have we changed and what will be different? Alex has taken on the role heading up the junior section from Surge and the whole philosophy will be based on two principles.

1 - To provide excellence in what we do and our coaching for our juniors. Over the last 12 months we have been busy putting together a top experienced coaching team – one of the strongest around!

2 - But more importantly, help you all have fun and enjoy playing.

Historically DCC have always been a strong quality junior section, it is something we are renowned for. Many of our juniors have represented District, Kent, and even England in the past.

Recently Alex has been looking to build even better links with local schools – especially primary schools to encourage boys and girls aged 6-11 to start playing. If you have any contacts or ideas please let him know.

The aim is to re-establish Dartford as a centre of excellence for Cricket and the place of choice.

PARENTS – WE NEED YOUR HELP!

The club has about 60 adult members, and 75-100 juniors. That means the juniors make up more than 50% of the club – shows how important you are!

There are many ways you can help – be a parent representative on the Academy Committee, help on match days with umpiring or scoring, provide sponsorship or put us in contact with friends or family who may help with sponsorship.

Your profession or skills are also very likely to be a great help to us as we develop the club and plan for the future!

SATURDAY 5TH XI CAPTAIN

We have welcomed lots of new faces to the club so will field 5 Saturday teams. This important side will give youngsters a further opportunity to play adult cricket. Interested? Please speak to Jay or Alex.
